Candidate for VFW Department of Indiana JAG for 2024 - 2025

Shelley L Jacobs

I have been the current JAG for the Department of Indiana since 2021. I am currently the Quartermaster for District #10 and Post #1282. I have been a Commander for District #10. I have been an All-State and All-American Round Robin Quartermaster. I can assist and help influence this great Organization. I am a Bronze Legacy Life Member. I have served in the United States Marine Corps from 1987-1996. I earned my eligibility from my tour in Korea and Philippines in 1991.

DAN CLAXTON

For re-election to State Quartermaster 2024-25

A number of professional experiences provide a diverse background and knowledge of the internal workings of corporate financial and accounting disciplines.

Certified Management Accountant for a number of years from the late 1990's through 2010. The certification was dropped when it was no longer needed. Corporate experience as a Financial Analyst included the consolidating financial reporting of as many as 34 profit centers, programming consolidation reports using Sybase, Hyperion, in addition to Microsoft Excel, Word, and Access applications. Currently, still preparing between 20 to 30 income tax returns annually using Drake Software.

Have written my own applications in Microsoft Access, which includes an accounting program, a stock/investment tracking program, a names & addresses application, and an application for organizing office files. All of which have been used in my past business and currently in my own office activities.

Four years Navy as an Aviation Fire Control Technician on the F4 Phantom in squadron VF 213, attached to the aircraft carrier Kitty Hawk.

February 2023 to present as your VFW State Quartermaster. As your current Quartermaster, my accomplishments included improving the accuracy and usability of the current Quickbooks accounting system and modifying it for a more organized Income Statement by adding account numbers to the Ledger which makes the system and reporting easier to use.

Looking forward to continuing the work on enhancements of our bookkeeping system and bringing the investment process forward to where we use VFW resources, and not expensive outside advisors who occasionally manage our portfolios with cookbook strategies. Strategies and research are available to our own members from a number of resources. Remember, no one cares more about our money than we do, Veterans included.

People who know me, trust me. I am a good educator and business resource.

Thank you for your consideration and vote
