1 February 2024

Greeting Comrades,

Thank goodness January is now behind us. I want to thank everyone that made it to the Indiana State House for Legislative Day on Jan 16, 2024. Despite the bitter cold temperatures, we had a good turnout.

The VFW is a member of the "Big 4" Veterans Service Organizations (VSO). The "Big 4" consists of the American Legion, Disabled American Veterans (DAV), National Guard Association of Indiana (NGAI) and the VFW. These 4 organizations represent more than 135,000 Hoosier Veterans. Our organizations gather to discuss issues and determine what "our" priorities will be for the Legislative sessions. We also talk to our legislators about our concerns to improve the quality of life for Veterans in Indiana. This current legislative session has been productive, already we have had a resolution signed to Reduce Veteran Suicide. As individual organizations we also support and testify to assist with getting other organizations priorities passed. A complete list of the "Big 4" priorities are listed in this month's General Orders. Please review the priorities and contact your legislators to help us get these items signed into law.

We have a new Veteran Service Officer (VSO) that will be starting this month. Nathan Mertz is our new VSO for the Fort Wayne area. We are lucky to get Nathan! He has been the Assistant Department Service Officer for the VFW Department of Ohio. Please welcome Nathan to Indiana when you meet him.

February is a great month to call your post members that you have not seen for a while. Make sure they are doing well. Talk to your members about what is going on in the Post. Invite them to come in for a visit. I also would like you to call your former members that have let their memberships lapse. Find out what is going on and invite them to come back and renew their memberships. This is a great pool of people to recruit from. Your Post Quartermaster or the State Adjutant can provide a contact list for you.

As of today, our Department membership is at 90.11%. We continue to climb closer and closer to 102%.

The following posts are very close to making it to our goal of 102%

- Post 1154 Lafayette 101.53%
- Post 9982 Griffith 101.19%

Every person that recruits at least 1 new or reinstate member will receive a red t-shirt. This t-shirt should be worn on Fridays to "Remember Everyone Deployed." I would like to see these shirts worn at our Spring Conference. Duane Sarmiento, Commander-in-Chief of the Veterans of Foreign Wars will be our National Rep at the Spring Conference. Please wear your "RED" recruiting t-shirt to the C of A on Friday and the general membership meeting on Saturday. Please, if you are going to wear a red t-shirt make it the state membership incentive shirt! It would be great for the Chief to see all our recruiters and that we are still striving to achieve 102% for the Department of Indiana.

Thank you for all you do!

102% Membership *Is coming directly from the National Commander in Chief.*

-Recruiting is the only way we can refill the ranks for future generations.

-Every single Post and each District must be recruiting at all times.

-Post and District leadership should be checking membership numbers daily in MEMSTATS.

-Start cold calling your expired or soon to be expired lists. Winter is the best time to call them!

Train and utilize the whole team. Remember that Membership is a total team effort!

Reach out to the Membership Team if you need assistance recruiting and for events.

The immediate goal is to be at 93% Membership by March 4th.

In Comradeship,

Ken Lange

COMMANDER'S CHALLENGE

DON'T LET THEM FALL THROUGH THE CRACKS!

Every year, the Veterans of Foreign Wars loses a significant portion of our Annual members whose dues lapse and they fall off our rosters. For the month of February 2024, our VFW Commander-in-Chief Duane Sarmiento is challenging YOU to turn it around and help keep our membership strong!

This month's challenge will count all Renewals and Reinstates processed during February. This means if a member whose dues have lapsed for any amount of time OR will lapse before the end of June 2024 pays their membership dues (Annual or Life) - the Post will get credit for this contest.

The Posts that lead their membership divisions in Renewals and Reinstates for the month of February will be given a new top-of-the-line laptop computer in order to better assist with their membership goals and processing! We want to put the tools in your hands to help our Posts succeed!

We know how important it is to recruit members into the organization. We also need to focus on keeping those members we have and staying strong!

Retention is vital to membership success. By keeping our membership strong, we can be assured of continuing our mission to help our nation's veterans and to go out and

MEET THE CHALLENGE!

This contest will count all renewals and reinstates from February 1 through February 29th, 2024. Applications and payments processed online before close of business will be credited that day, payments and applications made through the mail will be processed when received. Questions about this or other membership programs can be sent to membership@vfw.org.

VFW Announces Annual Publications Contest

Submissions must be mailed by April 1

KANSAS CITY, Mo. (Jan. 5, 2024) – The Veterans of Foreign Wars (VFW) is now accepting submissions for its 2023 National Publications Contest. VFW publications published up to four times annually, or five or more times annually, will be judged in four categories.

The categories are:

Department-level publications:

- Newspaper/Newsletter
 - Defined as being printed on newspaper stock.
- Best Feature Story
 - All publications judged together in this category and submitted separately. The story must be a published article of at least 300 words. It can be originally written by your newspaper/magazine staff or by a freelance writer, or be reprinted from a newspaper within your state. Feature articles published in online/electronic newsletters, newspapers or magazines also are eligible, but must be printed in color and submitted via USPS, not email.
- Magazine
 - Defined by physical size and paper stock, or designed for online distribution as a PDF. Online/electronic magazines must be printed in color and submitted via USPS, not email.

District/Post-level publications:

- Overall Design and Content

Each category will be awarded three places: a grand award (first overall), silver (second overall) and bronze (third overall). Grand prize winners will receive a plaque, and the silver and bronze awards will take the form of a certificate suitable for framing.

The VFW Publication Department's awards system conforms to that of professional societies within the association publishing industry: National Mature Media Awards, Association Trends, Society of National Association Publications, Society of Professional Journalists and Communications Concepts. In other words, the same types of awards for which VFW magazine competes.

All entries submitted must have been published sometime between Jan. 1, 2023, and Dec. 31, 2023.

Examples of eligible subjects for the Best Feature submissions include operations of state VA departments, National Guard/Reserve unit deployments overseas, troop-support activities, Department VFW programs, dedication of state memorials and state or local commemorative events for the 50th anniversary of Vietnam. **Editorials or opinion articles WILL NOT be considered this year.** Articles written by *VFW* magazine staff and reprinted in District, Post or Department publications **will not** be considered. Only one issue per publication will be reviewed by judges. **DO NOT** send multiple editions, as judges will not review all of them.

All entries should be sent directly to the VFW National Headquarters. Similar to last year, the competition will be **open to any submission, not just the winning submissions from the Department level.** This is to remove any bias at all levels. A [completed entry form](#) and one copy of each submission should be postmarked by April 1, 2024, to:

DON'T FEED THE SHARKS

What is a "Claim Shark"?

- A Claim Shark is an individual or company that charges hefty fees to "assist" or "consult" veterans with filing their VA benefit claims – this practice is illegal!
- Claim Sharks are not VA accredited, meaning they aren't required to adhere to the well-established professional and ethical standards of VA accreditation, so their advice can often be misleading or even fraudulent.
- Like a "Loan Shark," once you're in, you can't get out, and may be subject to new and hidden fees whenever you get a new rating, no matter who does the work.

Some of their predatory practices are:

- Promising or guaranteeing an increased disability rating or percentage increase.
- Advertising expedited VA claims decisions.
- Requesting login credentials to access a veteran's personal information through secure VA websites like eBenefits or VA.gov.
- Using confusing tactics or ambiguous language to mislead claimants or coerce them into signing a contract.
- Telling veterans to forego VA exams and offering health consultations within their own network of doctors.

Who are the Claim Sharks?

- | | |
|----------------------|-------------------------|
| ✦ Trajector Medical | ✦ Patriot Angels |
| ✦ Vet Benefits Guide | ✦ Veteran Care Services |
| ✦ Veterans Guardian | ✦ VetComm |
| ✦ VA Claims Insider | ✦ VA Claims Academy |
| ✦ Telemedica | ✦ Vet Assist |

Veterans can protect themselves by:

- Always working with VA accredited representatives.
- Attending all exams ordered by VA.
- Not signing contracts.
- Not agreeing to fees or payments from future benefits.
- Not agreeing to pay for medical consultations or opinions.
- Not providing access to Protected Health Information or Personal Identifiable Information.

Who is NOT a Claim Shark?

- VA accredited veterans service organization representatives, like the VFW
- VA accredited claims agents
- VA accredited attorneys
- Attorneys assisting with Camp LeJeune lawsuits who do not charge excessive fees

Owning a Small Business

Veterans have the character, discipline and skills needed to succeed as small business owners and entrepreneurs. Wondering what it takes and how you can prepare? Enroll in Boots to Business Reboot.

About Boots to Business Reboot

Boots to Business Reboot is an entrepreneurial education and training program offered by the U.S. Small Business Administration (SBA). The course provides an overview of entrepreneurship and applicable business ownership fundamentals. Veterans of all eras, Active Duty Service members (including National Guard and Reserve) and spouses are eligible to participate.

During Reboot, participants are introduced to the skills, knowledge, and resources they need to launch a business, including steps for developing business concepts, how to develop a business plan, and information on SBA resources available to help. The program is facilitated by subject matter experts from the SBA and their extensive network of skilled business advisors.

Participants that complete an in-person or online B2B Reboot course can elect to further their study through one of many B2B online courses, offered at no cost to Service members, Veterans and military spouses. If you've already attended an in-person or online B2B Reboot course, visit sba.my.site.com to sign up for one of the online B2B follow-on courses.

The Boots to Business program is provided through the coordinated efforts of the SBA and its valued partner network. All SBA services are extended to the public on a nondiscriminatory basis. Reasonable arrangements for persons with disabilities will be made if requested at least two weeks in advance.
