Comrades,

Another month has flown by, and still we are committed to serving. Our mission statement to serve others is alive and well; and needs reiterating as new officers assume new challenging roles amongst our fellowship. As we adapt and overcome to the modulating changes this new fiscal year has brought upon us, we are maintaining the mission amidst uncertain times.

As we are so often fluid amongst these trying times, we will be meeting for the C of A on June 12th at 7:00PM at Marriott East. Our modified state convention is on the 13th of June, also at the Marriott East, where we will conduct business meetings, elections, and induction from 0900 until completion. Though it will be a long, condensed day, we will not have speakers, a banquet, or vendors and presentations; so plan accordingly. Also uniquely different will be the lack of hospitality rooms and the cookouts we have done in the past from each district.

Though things may look different; again, our mission has not changed. We are here to serve and are to keep our hearts and minds on that mission solely.

A reminder to be certain your documents to include election reports, bonds, fees, and audits be in by this week. Please refer to my letter from April's General Orders for a firm reminder on responsibilities. I look forward to seeing those of you whom are able to join us at this year's historical convention. We will be getting right to business and starting the fiscal year fast and furiously focused on our goals.

Regards,

Comrades,

Another month has passed, and elections are upon us for a new fiscal year ahead. This past year has brought about clarity, reflection, and a renewed passion for our mission statement: "To foster camaraderie among United States veterans of overseas conflicts. To serve our veterans, the military, and our communities. To advocate on behalf of all veterans."

As we forge ahead into the unknown after COVID 19, our mission remains the same. For those of you newly appointed or elected to roles that are commander roles, administrative or financial in manner, be certain you alongside your commanders obtain TroopID for the www.vfw.org website responsibilities. With added command comes more responsibility, and there is no "self" in service. With that being said, in the commander's words, it is time to focus on the mission statement, enable yourselves to learn the platform through the tutorials on the website, and reach out to others for assistance as you learn or re-learn the procedures on the website. We have moved into a new era, and it allows us the ease of rapid and accurate accountability and completion. By serving in our entrusted roles, we serve the mission statement and beyond.

With that being said, be certain all documents and bonds are complete for this year; including delegate fees/ administrative fees, and that they are confirmed on the report. If this is done; nothing will prevent said post delegates from voting at the election. Please refer to the commander's letter from April's General Orders, as no one will be allowed to vote from their posts if their items are incomplete. Nor, will we at HQ be taking anything the day of elections to complete the loop. There has been plenty of time to scan and send, fax, and mail anything needed, and you still have until June 8th AT THE LATEST. Absolutely NOTHING will be taken after 4 pm EST on June 8th. No exceptions.

Warmest Regards in the New Fiscal Year,

Deborah Ryan

1. State Convention: Is June 12-13th at Marriott East. The 12th will be the C of A in the evening at 7pm, and registration in the afternoon for those arriving for the Saturday events. Saturday the 13th is the Convention: Beginning at 0800-1100 will be registration. 0900-1200 will be business meetings, a break for lunch offsite (bring food as needed), Business and elections will continue at 1:00, and conclude in the early evening. Be advised there are no speakers, no banquet, no hospitality rooms. The purpose is to expedite completion of business, and begin the new installation to have all officers in place by close of business. Post members are to contact the Marriott at this link to book a room if so desired to stay the night on the 12th for business on the 13th: <https://book.passkey.com/e/50035614>. Additionally, you may call their number at 317-352-1231 for personal booking. Be advised, we are still standing by on words from the Governor's office regarding the number of people permitted to occupy the space, so please be cognizant of taking care of your personal health and personal protective equipment (PPE). PPE will not be given out during convention, so please bring your own if you so desire.

2. Elections and Documents: Remember, all posts and districts must have their audit reports, election reports and delegate list and fees completed to participate. Documents need to be received at HQ no later than 8 June. (That means they must be in the Adjutant's hands by 4 pm on 8 June). Late documents will not be accepted. Day of election hand-ins will not be accepted. Please review the Commander's letter from the April General Orders for review on this point. Post election reports need to be filed through National, whom will then return it to us at the Department level. National's election report is the only document that suffices as an acceptable document. Bond Paperwork is due no later than September, so please review these documents and submit to **Brett Mize** asap at gm@vfw.org. Forms are posted on the website in addition to these General Orders.

3. Incoming officers: It is imperative that you enable TroopID at www.vfw.org. All responsibilities of Department, District, and Post leadership include access to the OMS and Dashboard to perform the duties expected therein. This especially affects Commanders, Quartermasters, and Adjutants. All duties of obligation require this site to be successful. Tutorials abound on the site, and are neither difficult nor long.

4. Headquarters will be reaching out for a Front Desk Receptionist in the future, after meeting to revise expectations and financial elements with the finance committee as proper protocol is observed.

5. Mail is still being sent to the PO Box which closed in March per the General Orders. Please update HQ's address to the one at the top of this page. Mail will not be forwarded from the PO Box past 30 May. HQ will not be held responsible for reports, etc. sent to the defunct PO box.

6. Several Important Documents and Announcements are attached to these orders. Please review all.

4. **Be kind** to one another. As we all learn new positions, those whom were present in the roles of the past: Please share your wisdom and resources openly, as you were once new as well. Provide a continuity binder, clarity, and guidance as you gracefully exit the role(s) to pass onto your follower. Do not stand by and watch a comrade struggle in the tide as you know how to swim. Be helpful and humble to share your knowledge. Practice the golden rule, and all will succeed.

5. Lastly, reflect on this: "We pledge ourselves to work together for the benefit of our country, and for all [men] who are required to serve in our armed forces at home and beyond the boundaries of the United States in time of war." —James Romanis, one of the founding Fathers of the VFW. The mission was never to serve oneself, but to "bear true faith and allegiance...So help me God." That is part of the oath of enlistment and the oath of officers of which we all took before joining the ranks of the VFW. Keep that oath in mind as you mindfully step into the future, bearing truth and allegiance with the help of God. Do not waver, while you may sometimes stumble, you will never fail if you maintain your core values, and serve before yourself as the servant leaders you raised your hand to be.

TRAVELERS CASUALTY & SURETY COMPANY OF AMERICA

Dear Comrade Commander:

Application for VFW Accountable Officers Crime Coverage

August 1, 2020

One of the most important communications you will receive during the year concerns the bond of your Unit Quartermaster. Section 703 of our National By-Laws requires that each accountable officer shall be bonded with an Indemnity Company as surety and the By-Laws places the responsibility for adequate bonding upon the Commander of the post. In any business it is customary to bond any officer handling funds. **THE BOOKS AND RECORDS OF THE ACCOUNTABLE OFFICER MUST BE AUDITED AT LEAST QUARTERLY BY THE TRUSTEES. THIS IS TO COMPLY WITH SECTION 218 OF THE NATIONAL MANUAL OF PROCEDURES.**

The Department Headquarters carries a schedule bond for the bonding of Department and Post Accountable Officers. This bond runs for a year – from September 1 to August 31 – premium payments are made on that basis. All bonds expire on August 31 and premium for New Year is due on September 1.

Any unit may decide whether it prefers to take out a bond with some other surety company or have its funds protected by the Department Headquarters schedule bond. But the matter should be given prompt attention because if your Accountable Officer had previously been bonded through the National Headquarters, a new premium payment is required by September 1, 2019 and delinquent after this date.

IF BOND IS NOT RENEWED, TERMINATED, OR CANCELLED AT EXPIRATION DATE OF 9-1-2020, THE POST HAS ONLY 90 DAYS TO SUBMIT A PROOF OF LOSS FOR PRIOR TERM, AFTER 90 DAYS PRIOR COVERAGE CEASES.

COVERAGES OF THE POLICY REQUIRE THAT:

1. You agree to make/or cause to be made, at least annually, an audit of your books and accounts, including complete verification of all securities and bank balances pertaining to each "employee and/ or volunteer".
If the above is not complied with, the Surety Company will refuse to honor claim of missing funds which cannot be proven by records. Monthly audits and reconciliation of bank statements may avoid this denial of claim.
2. The Surety Company will not pay for loss resulting from any unauthorized advances made by an "employee" to any member for delinquent dues and assessments.
3. "Employee" means any duly elected position or any appointed officer as listed in the policy schedule.
4. **POST MUST SUBMIT A PROOF OF LOSS FORM WITHIN 120 DAYS FROM THE FIRST DATE OF DISCOVERY OF THE LOSS.** Proof of loss resulting from dishonest acts on the part of the bonded officer is required in settlement of claims.

THIS BOND IS ONLY FOR THE YEAR SEPTEMBER 1, 2020 TO AUGUST 31, 2021.

The funds of your Post are protected only for that year. Premium for the following year will be due September 1, 2021.

RETURN THIS APPLICATION WITH YOUR PREMIUM CHECK PAYABLE TO YOUR DEPARTMENT HEADQUARTERS

Give Post # and City Location

I hereby apply for A1. Employee/Volunteer Theft (Surety Bond) in the amount of \$ _____, for the position of _____. For the year from September 1, 2020 through August 31, 2021.

Number of Persons Bonded: 1 Number of Locations: 1 Post Annual Income: \$ _____ Dated: _____

Has the post had any bond losses over the past three years? _____.
If yes, provide a description with date and amount of loss on a separate sheet.

DEADLINE FOR BONDING IS SEPTEMBER 1, 2020 – AFTER THIS DATE YOU WILL BE DELIQUENT AND NOT IN COMPLIANCE WITH THE VFW BY-LAWS.

Hamilton County Gold Star Families Need Your Help!!

Please read this letter; then go to this site <https://charity.gofundme.com/o/en/campaign/crownland-war-memorial-project> to make your tax deductible donation.

Hamilton County and the Hamilton County Veterans Corp are working together with Steve Wood to finally get the War Memorial at Crownland Cemetery refurbished. With the help of Mark Hearbrandt, one of our county commissioners, and Mr Wood, Hamilton County building & grounds director, we were able to get a proposal approved and work will be starting this week.

Dan Haines Const Co is doing the refurbishment on the Memorial, but the work they are doing does not include the addition of 2 new Memorial stones Honoring our Fallen Heroes from WWI and the Persian Gulf Wars. You see, we Hamilton County Veterans, Ron Wilson, April Lynn Epperson and Wayne Long have spent the last 7 years knocking on several doors trying to get support to repair the deteriorating Memorial plus we wanted to add 2 new stones with our Fallen from WWI and Persian Gulf Wars. For this Memorial to be a true Hamilton County War Memorial Honoring our Fallen Heroes from all Wars, we need to add these 2 new stones with our 30 Fallen WWI Heroes and 8 Fallen Persian Gulf War Heroes.

To do this, we are working with Ian Whittaker & Kyle Douglas from Wearly Monuments. They will be ordering the 2 new stones to polish, etch the names in them and mount them on the newly refurbished Memorial within the next 60-120 days. The cost for the addition of these stones will be \$6,687.50 of which the Hamilton County Veterans Corp has put the \$3,000.00 down that we raised over the past 7 years. That means we will need your help to raise the remaining \$3,687.50 before the next 120 days passes. It's the least we can do for the sacrifices our Heroes and their families have made while protecting our Freedoms.

To make a donation to this long overdue project, please visit our Go Fund Me page <https://charity.gofundme.com/o/en/campaign/crownland-war-memorial-project> and let's all make this dream come true for our Gold Star Families.

The Hamilton County Veterans Corp is a 501c3 Tax Exempt non-profit. When we receive your information thru Go Fund Me, we will email you a receipt with our TAX ID#.

Here is the latest article in the Current Newspaper -
<http://youarecurrent.com/2020/05/15/memorial-to-receive-facelift/>

We know that during these unprecedented times, things are tough for so many. We understand that. But when you think about what we are doing for our Fallen Heroes, it makes it easier to help their cause. I am sure they and their families would thank each and every one of you for helping to make their dreams come true!!

Please share this with your Hamilton County friends. We need all their help. Stay safe and healthy,

Elected Officials Reward Illegal Aliens While Ignoring Struggling Veterans

'Just Put on Your Freaking Mask and Shut the Hell Up,' Says Southern Restaurant Owner

More than a million veterans who served this great nation struggle to make ends meet. Worse yet, tens of thousands of them are living on the streets homeless, and thousands more are constantly at risk of losing their homes. Many of them fail to receive the proper health care they deserve. This tragedy should be a top priority for our nation's lawmakers. However, too many politicians today seem more concerned about offering handouts to illegal aliens who have no legal right to be in this country than they are about the plight of America's heroes: Our Veterans.

Sadly, more than 37,000 veterans in the United States are homeless, according to a recent report by the Federation for American Immigration Reform (FAIR). More than a quarter of them – nearly 11,000 – belong to the sanctuary state of California, with other sanctuary jurisdictions like Washington and New York harboring thousands more.

million veterans are either unemployed or underemployed, meaning they are struggling to provide for themselves and their families. Included in that figure are 27 percent of the men and women who fought in Iraq and Afghanistan and now aren't even sure how they will put food on their tables. Meanwhile, 7 million illegal aliens are working in jobs that should belong to these veterans and other Americans. That should anger any American who understands the sacrifice veterans made for this country.

Unfortunately, many of this nation's elected officials seem completely unaware and/or unbothered by the plight of our nation's heroes. In fact, their actions have made the situation worse. Rather than support veterans with financial aid until they get back on their feet or provide them with training programs to prepare them for the workforce, elected officials in sanctuary jurisdictions like California have spent millions of dollars ensuring that illegal aliens feel safe and comfortable in the United States and have free access to legal services when they need to fight deportation.

For example, elected officials in Oakland created a \$300,000 fund to protect illegal aliens from federal law enforcement in 2018. Los Angeles has an even larger program that has spent approximately \$7 million so far. The Golden State has the largest number of homeless veterans in the nation. But rather than do something about the problem, elected officials are funneling millions of dollars to illegal aliens while ignoring their homeless and underserved veterans.

California, in fact, has become the nation's case study in how to not treat your veterans. Veterans often wait several months before receiving the proper medical care that they deserve. The veterans living in San Jose wait an average of 50 days before receiving vital treatment at a primary care Veterans Affairs clinic, and the wait time in other areas can be almost twice as long. How did California's elected officials react to this problem? They passed a law last year to provide health insurance for illegal aliens between the ages of 19 and 25, which is expected to cost taxpayers nearly \$100 million in the first year alone.

[VIEW CARTOON](#)

With just the money California is allocating to illegal alien health insurance, the state's elected officials could give every single homeless veteran nearly \$10,000 per year. That kind of money could go a long way toward fully eliminating the Golden State's homeless veteran epidemic.

Other states have also copied California's playbook. In Maryland's Montgomery County, a proud sanctuary jurisdiction, elected officials created a similar \$370,000 fund to protect their local illegal alien population from federal law enforcement in 2018. Despite the fact that at least eight illegal aliens were accused of rape within the span of a month last year, the county continues to provide free legal services to illegal aliens while refusing to hand over those who should be removed to federal officials.

Overall, the United States spends a total of \$132 billion every year providing goods and services to illegal aliens. At that price tag, you could make every homeless veteran in the United States a millionaire! It's a shame that many of this nation's leaders spend more effort ensuring that illegal aliens feel comfortable breaking the law than they do providing basic services and aid to the veterans who risked their lives defending our freedom. When the United States has more than a million veterans struggling to put food on their table and tens of thousands remaining homeless, there is a real crisis on our hands. It's far past time for our elected officials to realize this and act now before it's too late.
