**Comrades,**

**Jamie & I hope that everyone had a fantastic Christmas and a joyful and happy New Year. We had our Winter Council 11 Dec and thank you all that attended and hope everyone had a great time. Thank you, Gloria Faulk, for your hard work!**

**To all District Commanders, call your Post Commanders and see if they need help to reach their membership, all Post Commanders get with your Quartermasters and print out your expiring list and unpaid list and have your team call them.**

**A huge congratulations to our Service Office team. NVS from DC came in and conducted a quality assurance inspection and they passed with flying colors. This was put off last year due to COVID. Chris Macinkowicz told me that this was the first inspection of a VFW Service Office in a couple of years where they did not find one thing wrong. Chris went on to say that usually when they go to other states VSO's they find something but not IN. Well done! I arranged for Chris and Keith Garrison to meet with their counterparts at IDVA and it was a great meeting. Keith even showed them that they had access to a particular VA site that they didn't know they had. Chris stated their training mode kicked in. They will be working with the IDVA in the coming years to provide additional & mutual training to them.**

**Now that the weather is starting to get cold, let's see if we can get inside to do recruiting, don't stop just because of the weather.**

**A well done to Ken Lange, 20 new members and Steve Milbourn with 15! Thanks for your hard work!**

**CIC Fritz has rolled out a new membership program effective 1 Jan. Details attached to the GO. It is called "New/Reinstated Membership Grant initiative for VFW Posts". This directly benefits every Post that participates.**

**Post Commanders, make sure that your Post Adjutant puts your reports in the All America Dashboard so your Post can make All American and receive the recognition they deserve.**

**The new VA Super CBOC at Grissom will be having their grand opening ceremony 15 Feb @ 1300. Also, the new Marion Primary Care Clinic grand opening will be 11 Jan at 1300.**

**For our March Conference we have Jessica Lynch, former POW, scheduled to speak Saturday morning. Plan on attending. Thank you, Laura McKee, for arranging this.**

**I want to thank all of you for your hard work that you have been doing.**

**Yours in Comradeship**

**Dick Lineberry**

VETERANS OF FOREIGN WARS.

Indiana

Comrades,

By the time you are reading this Christmas and New Year will be past and we will be starting **2022**. WOW, where have the years gone! Hopefully everyone had a fabulous Christmas and is off to good start to the New Year. I have no doubt **2022** will be a great year for the Veterans of Foreign Wars Department of Indiana.

The Indiana Military and Veterans Legislative Day (IMVLD) is January 10<sup>th</sup> at the Indiana State Capital. The program starts at 10:30am and will run till about 2:00pm. We need every Veteran to attend this event, a very large turnout is the only way to convince the legislators that Veterans count and we VOTE. Right now - call your legislator and make an appointment to discuss the Veterans legislation. If you don't know who your legislator is go to <http://iga.in.gov>, then "Find Your Legislator". To find out more about the legislation we are working on this year go to the department website [www.vfwin.org](http://www.vfwin.org) or the IMVLD website [www.veteranlegislativeday.org](http://www.veteranlegislativeday.org).

Inspections should be done or very close. Remember Inspections are there to help your Post, not call you out or demean your leadership or your Post. You can't fail, all you can do is find out about issues that need your attention. A "rubber stamp" or "pencil whipped" Inspection is a disservice to the members of your Post, your District and the Department as a whole. Everyday we hear about Posts closing and if you look back many times the root cause for Posts closing was evident in the Inspection or lack of a real Inspection. District Inspectors do you "job", you're not helping the Post by letting them slide.

I plan on mentioning this every month. The Veterans Foundation of Indiana is working to raise funds for our two primary programs. Youth scholarships and the Indiana version of Unmet Needs. I appeal to all Post, especially the ones with the large gaming accounts. **Make a donation to the Foundation.** The Foundation is a 501(c)(3) charitable organization, this means you can donate to the Foundation from your gaming revenue.

The Holidays are over, time to focus on MEMBERSHIP. The Department of Indiana can be a 100% this year, our Department Commander Lineberry and his membership team are working hard. We all need to help, everyone is responsible for membership.

**MEMBERSHIP IS NOT JUST THE COMMANDERS JOB ~ MEMBERSHIP IS EVERYONE'S JOB!**

Comrades,

I hope that you were able to spend the holidays with those you hold dearest.

I am doing some investigational research in planning for our future conference and convention, and I am looking to you for input. I have put together a very short survey to help me understand the direction you want us to go. I know some of you have told me that you would like to see a change, but from the options I have researched, many other locations will cost significantly higher, (read as 2x-3x higher). This higher cost would have to be made up in order to balance our budget which would mean that cost would need to be accounted for in some way. Our attendance for our banquets along with the cost of the tickets is just enough for us to meet our current minimum. So with a two to three times increase, the banquet tickets would have to increase. I am exploring some out-of-the-box options as well just to see what we can do with some creativity. Please take a moment of your time to complete this survey. I have a QR code and a link on this letter for your convenience.

It is my hope that doing these surveys will be an effective way for the organization's leadership to understand what is important to you and how we can best assist you. The survey will ask for your email address. This is not for us to track you, but for us to be able to follow up with you about this survey and future surveys. The more responses we receive, the easier it will be for us to use your input to plan for future events.

I hope that you had a safe holiday season, and you are reinvigorated for the rest of the VFW year! If you need anything from me, please don't hesitate to reach out.
