1 October 2021

Greeting Comrades,

I hope everyone enjoyed their summer and is not getting ready for the fall season, hunting, and the holidays. Summer unfortunately is now in our rearview mirror; however, the beautiful fall of colors will soon be around us.

School has started again which means it is time to buckle down on our youth scholarship programs such as Patriot's Pen and the Voice of Democracy, as well as Citizenship Education/Teacher of the Year Program. Get into those schools and let them know that we support our future generations and provide scholarships to ensure further education after high school. Deadlines for these programs is October 31st. I absolutely love reading the submissions from our students. Their perspectives and writing, speaking abilities are just astounding.

Jamie and I just returned from Indiana Day at the National Home, 26 September, and I personally want to Thank everyone who was able to show up and contribute to "our" home there. A special Thank you to Jerry Blake and Leslie Ackermann for all that they did to make the day special. A special shout out to Sr Vice Richard and his Post for donating \$10,003 to the Children's Home which a majority was raised at our State Golf outing. Richard's wife Terri was manning a hole and gently twisting everyone's arm to donate, HA, HA. Jamie is already talking about planning a day trip to the National Home in the springtime to help spruce up the landscaping around the IN Home. Anyone who knows her and has been to our house, they know she has the talent to do that and it's not me!

As CIC Fritz states, "The Time is Now" and let's keep working our membership. Reach out to our younger vets for they are the future of the VFW. With the younger vets involved come fresh ideas and growth.

If you have any recruiting, reach out to Tyler Campbell and he will assist in any way that he can.

If you plan on having an Honor Flight fundraiser, please let me know.

I look forward to seeing everyone at the Fall Conference and enjoying some great comradeship, hospitality rooms and guest speakers. The VA will be there also to provide flue shots as they have in the past. Attached to the General Order's are 2 flyers from the VA. One is an Emergency contact number if you must visit an ER outside the VA. It's a new process and it works quite well. The other is for filing travel pay.

If you have any questions about anything, do not hesitate to reach out to me. If I don't have the answer, I will get it for you.

I want to also thank, SR Vice Richard, JR Vice Sheila, Surgeon Cory, Adj "Gunny" Becky, QM John, Chaplain Keiston and JA Johnny for stepping up to the plate and assisting with some issues that have arisen over the last couple of months. A great team and a well done to all!

Yours in Comradeship,

Fall is upon us any day now so it is time to get your Post ready for inspection, get that inspection binder put together it will make the inspection go much quicker. Many of you may have already been inspected, remember the inspection is a tool/checklist for the Post listing responsibilities or requirements, if you didn't get a correct answer on something don't just ignore, fit it! Don't just leave it for the next Commander, or someone else, fit it!

Fall also means the Fall Conference is here, October the 8th, 9th, and 10th at the Marriott East here in Indy. Commander Lineberry and Adjutant Murphy have a full line-up of informative speakers for Saturday morning. Our National Representative is Senior Vice Commander-in-Chief Tim Borland, and if I had to guess he will be talking about membership. SV-CIC Borland is a real recruiter, he has recruited over 100 members every year for the past 18 years! He is working hard to make sure that CIC Fritz Mihelcic is at 100% Nationally, but he can't get there unless we all help. Membership is the responsibility of every VFW member, not just the Commander and Quartermaster but every member, jut think about it if every VFW member recruited one new member that VFW would grow from our current membership of a little over a million to two million combat veterans. The VFW Department of Indiana has about 29,000 members but there are over 400,000 veterans in Indiana. Sure, some of them aren't eligible but my guess is at least 1/3 are that could easily double the size of the Department of Indiana. Many times, all you have to do is "ask".

See you at Fall Conference, come learn something and meet fellow Veterans.

VA Community Emergency Care Information for Veterans

In most instances, Veterans are eligible to receive Department of Veterans Affairs (VA)-authorized emergency care at an in-network facility if VA is notified of the emergent event within 72 hours. The VA medical center (VAMC) nearest to a Veteran's emergent event can identify in-network emergency care providers.

Veterans do not need to check with VA before going to an emergency department in the community or calling an ambulance. During a medical emergency, VA encourages all Veterans to seek immediate medical attention without delay.

To simplify and streamline this emergency care notification process, VA established a national emergency care contact center.

The Emergency Care Centralized Notification Center allows community providers to report instances of a Veteran presenting to a community emergency department. It offers simplified access to VA for care coordination, eligibility determination and payment authorization information. Centralized notification standardizes communication, documentation and collaboration between VA and community providers.

General Information

VA should be notified within 72 hours of the start of an emergent event that a Veteran has sought emergency care at an in-network facility. This notification ensures VA can authorize the care. This step also assists VA in coordinating the Veteran's transfer to a VAMC and additional care, and ensures that the requirements for VA to pay for the care are met.

For each emergent episode of care, treating community providers will receive authorization decision information and, if applicable, directions on how to submit claims. Failure to notify VA of care rendered through an in-network community facility prevents VA from authorizing the emergency treatment and prevents claims and payments from being made through one of VA's third-party administrators.

Notification Requirements

The person notifying VA should be prepared to supply case-specific information, as seen below.

Veteran Information	Treating Facility Information
Name	National Provider Identifier (NPI)
Social Security Number	Name
Date of Birth	Address
Address	Point of Contact (POC) Name
Date Presenting to Facility	POC Phone#
Date of Discharge	POC Email Address
Admitted? (YES/NO)	Note: POC will receive VA authorization decision info
Chief Complaint/Admission DX and/or Discharge DX	

This information is explained in VA Form 10-10143g, Non-VA Hospital Emergency Notification, available online at https://www.va.gov/vaforms/medical/pdf/10-10143g_Non-VA_Hospital_Emergency_Notification_Fill.pdf.

Case-specific details are necessary for care coordination and eligibility determination. If the person notifying VA is unable to supply all necessary information, VA will contact the appropriate parties to collect the information.

Providers should use one of the following centralized options to notify VA with details about Veterans receiving emergent care in the community:

1. Email: VHAEmergencyNotification@va.gov
2. Phone: 844-72HRVHA (844-724-7842)

If notification is made to a local VA medical facility the notification will be referred to the centralized intake for action.

For information about care coordination, documentation submission, eligibility, claims and payment go to: https://www.va.gov/COMMUNITYCARE/providers/info_EmergencyCare.asp.

U.S. DEPARTMENT OF VETERANS AFFAIRS

FILING VA TRAVEL CLAIMS: QUESTIONS AND ANSWERS

WHAT IS VA TRAVEL CLAIM REIMBURSEMENT?

VA travel pay reimbursement through the Beneficiary Travel program pays eligible Veterans back for mileage and other travel expenses to and from approved health care appointments.

AM I ELIGIBLE FOR TRAVEL PAY?

VA offers two types of travel pay reimbursement: general health care travel and special mode transportation. As a Veteran, you may be eligible for one or both. A Veteran may be eligible for beneficiary travel services if the following criteria are met:

- have a service-connected (SC) rating of 30 percent or more, or
- are traveling for treatment of a SC condition, or
- receive a VA pension, or your income does not exceed the maximum annual VA pension rate, or
- are traveling for a scheduled compensation or pension, or if not otherwise eligible as noted above, and
- have a vision impairment, spinal cord injury or disorder, or a double or multiple amputation who's travel in connection with care provided through a VA special disabilities rehabilitation program (including programs provided by spinal cord injury centers, blind rehabilitation centers and prosthetics rehabilitation centers) if such care is provided on an in-patient basis or during a period in which you are provided with temporary lodging at a facility of the Department to make such care more accessible.

WHAT'S THE FASTEST WAY TO SUBMIT A NEW CLAIM AND GET FASTER PROCESSING OF A PENDING CLAIM?

For new claims and any pending claims, log in to Beneficiary Travel Self-Service System (BTSSS) and create a profile. An updated profile is required now to file a claim online and to process previously submitted kiosk and hard copy claims. Visit AccessVA and select the Veteran Travel Claim Entry icon to get started.
<https://access.va.gov>.

HOW DO I SUBMIT A TRAVEL REIMBURSEMENT CLAIM FOR GENERAL HEALTH CARE TRAVEL USING BTSSS?

VA is phasing in a new web-based portal to submit and process beneficiary travel claims at select locations. The portal, BTSSS, is VA's preferred method to accept travel reimbursement claims. Once implemented, claims submitted using the kiosks will be phased out. However, hard-copy submissions will still be available. Check with your Beneficiary Travel Office to find out when the BTSSS is available at your facility. To submit a claim, visit <https://access.va.gov>, select the Veteran Travel Claim Entry icon, and logon using a DS Log on Level 2 account. Log in to BTSSS and create your profile today to allow faster processing of any pending claims.

WHAT IS A DS LOG ON LEVEL 2 ACCOUNT?

A DS Logon is an ID issued by Department of Defense (DoD) that allows Veterans and caregivers to access many VA and DoD sites with one user username and password. A DS Log on Level 2 account is required to file a travel claim using BTSSS.

WHY SHOULD I USE BTSSS?

BTSSS automates the claims process to ensure timely processing and payment of travel reimbursement claims. With BTSSS, turnaround time to evaluate and settle a claim is generally less than 5 days. BTSSS allows Veterans and caregivers to submit claims 24/7, 365 days a year from a computer or mobile device. It also allows users to electronically track the status of a claim request.

CAN I GET HELP TO FILE MY FIRST CLAIM?

There are several sources of help to file a claim. Eligible Veterans and caregivers may get help from a travel clerk at the facility or refer to the BTSSS user's guide at <https://www.va.gov/health-care/get-reimbursed-for-travel-pay>.
