Indiana Combat Veteran

Volume 68 Issue 1

September 2025

From the Commanders Desk:

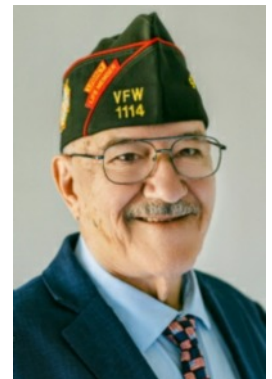

Words alone cannot express how humble I feel to have been elected Commander of such an outstanding organization as the Veterans of Foreign Wars, Department of Indiana. As the world's largest Combat Veterans organization we all have a duty and responsibility to always be there whenever a need arises in the ranks.

The phrase "Buddy Check" is more than a catch phrase! We always need to be there for each other. Very few if anyone of us came home after deployment the same person we were before our experiences. I know first hand how sitting down with someone who understands like only a fellow Veteran can, is able to make a difference no matter which side of the table you may be sitting on. Needing help is not a sign of weakness, knowing and accepting you need support is a great start.

As important as taking care of each other is our communities are still in need of our support. Our youth are the future of the country and it is up to us to teach them the values we fought for, and instill patriotism in them. Fortunately, our families are our biggest supporters. Be proud of the VFW and its motto "STILL SERVING"!

Yours in LOTCS,

Roger Ferguson
Indiana VFW Commander

Greetings Comrades & VFW Auxiliary Members,

I would like to stress the importance of reporting your deceased members. Our goal is to create an accurate database listing of all our deceased members with their final resting place so that we can provide which cemetery the Veteran is located when assisting extended family/friends requesting the information from our department. Our departments form is located on our State Website under the Resources tab, then Documents and scroll down to Post Forms and select Graves Registration Report (fillable); copy attached on page 3. The form can be sent directly to my Email address ljpatch@mail.com or mailed to me at 9034 Eiderdown Way, Indianapolis, IN 46234. This information also assists me in sending out sympathy cards and creating the TAPS page in our Combat Veteran Newsletter and the Memorial Service Power Point.

Unfortunately, as you may have noticed at the State Convention Memorial Service, our list which played during the ceremony was far from complete. Our list of reported deceased members was comprised of 42 members. After the convention I asked the Quartermaster to run me a list of deceased for the 2024-2025 year. His list contained 897 deceased members. That means that over 800 family members didn't receive a sympathy card or have their members name on our Taps page.

I truly enjoy being your Chaplain, and I have had a great time visiting during my travels! Please contact me by email or text/call [317 450-9408] if there is anything I can assist you with.

Yours in LOTCS,

**Larry Patch

MESSAGE FROM THE COOTIES

Hello Cooties & Cuties!!!!

My term as your lousy leader of sorts has begun! I sort of look forward to this term of abuse, as we are truly on our way to getting our Grand in Indiana back! We have 2 Districts vying to jump in and finally make this happen!

I am truly going to try to get to more of our District meetings and promote the reasons to get a pup tent in each District! Great news, effective in August we will once again be able to visit our Veterans in the VA Hospital. It's been a long dry spell after the Covid Fiasco!

Fellow cooties, please send in your annual dues as soon as possible. Our CCDB has to try to keep our records accurate despite our best efforts to thwart her progress! I truly would like all who haven't taken the leap to sign up for life membership. It is very affordable and then you won't have to hear us nag you every new term!

Yours in LOTCS,

Larry Patch

New State Laws Go Into Effect July 1

By Cody Browning

We are thrilled to announce two significant legislative developments impacting the Indiana Veteran Community. First, Senate Enrolled Act 433 (SEA 433), focuses on elevating the standards for County, City, and State Veteran Service Officers. This act mandates the Indiana Veterans' Affairs Commission establish accreditation standards for service officers, which include essential initial training, continuous education, key performance indicators, and annual reaccreditation. The new accreditation standards will ensure service officers are equipped to deliver consistent, high-quality customer service to veterans throughout the state. Moreover, the Commission will have the ability to revoke accreditation if standards are not met, ensuring accountability and professionalism.

Second, House Enrolled Act 1637 (HEA 1637), expands eligibility for state benefits by revising discharge status criteria. Previously limited to those with an Honorable discharge, this act opens benefits to veterans with other discharge types, except those disqualified due to specific conditions such as receiving a dishonorable discharge or criminal offenses as detailed in Indiana Code 10-17-12-7.5(2).

Furthermore, HEA 1637 expands the reach of the IDVA Grants for Veterans' Services (GVS) to support veterans, their dependents, and primary caregivers. GVS addresses pressing issues such as homelessness, housing stability, therapy, job training, and accessing state and federal resources. The act also expands admission criteria to the Indiana Veterans' Home, adds the United States Space Force to the definition of Armed Forces throughout the Indiana Code, and establishes the Medal of Honor license plate.

These legislative advancements emphasize Indiana's dedication to honoring and supporting veterans and their families. IDVA remains committed to its mission to Support, Serve, and Advocate for the Indiana Veteran Community. With the passage of SEA 433 and HEA 1637, we continue to strive towards our vision of making Indiana the state where Veterans Live, Work, and Thrive.

Munster Post 2697 Commander Jose Garcia gave the Members Oath to a very special recruit. Taking the oath was a 98-year-old World War II veteran named Juan Garcia. The new member is the Commander*s Grandfather. Comrade Juan Garcia served in the Army during WWII, he was stationed on mainland Japan as part of the occupation force and helped oversee the Japanese destruction of their armaments during the draw down. When asked why the elder Garcia hadn*t joined the VFW sooner, his reply was *No one ever asked me to join before.*
